

Rove Classics

Wishbone Chair

The Wishbone Chair is a premium reproduction of one of the most classic designs from the mid-century modern era. A rare combination of natural and practical, its misleadingly complex construction stems from the designer's extensive knowledge of wood. The fluid lines and minimalist style create an airy feel while the Y-back creates a truly organic impression. The curving top rail and tapered legs are stunning additions to the comfortably flexible yet sturdy woven seat.

Details

This premium Rove Concepts reproduction features:

- Available in solid ash wood with natural, ebony or walnut finish or solid beech wood with painted lacquer finish
- Solid wood backrest/armrest without finger joints
- Wood treated with wood-wax oil
- Seat hand woven with durable paper cord, available in Natural or Ebony
- Please note this design includes a removable metal tag. Exercise caution when removing the tags, as the adhesive may be harder to remove on wood surfaces.

This item is not manufactured by or affiliated with the original designer(s) and associated parties.
